

Community Container Contest: entry deadline May 13

Our 6th Annual Community Container Contest is underway! You plant it and the Town looks after it! Teams made up of individuals, families, groups, businesses, or any organization can register to plan and plant one of the 10 planters that are in West Stettler Park.

There is no entry fee but you could win \$50!

You create your design, purchase the plants, and plant the planter.

Then the Town takes care of the planters all summer long.

The theme for 2022 is "Once Upon a Time...Myths & Legends".

Contact the Parks Office (403-742-4411) to get the registration form, or stop by the Rec Centre.

Register by May 13th.

There are limited spots (10), so don't delay.
